

Disentitlement of Winnings

Casino Regina

Casino Moose Jaw

Effective October 1, 2015, prohibited individuals are ineligible to receive any winnings including cash or prizes at Casinos Regina and Moose Jaw. Prohibited individuals are those voluntarily excluded from Saskatchewan casinos, involuntarily excluded from SaskGaming casinos, and those under the age of 19 years.

Denying excluded individuals the opportunity to win removes the primary incentive to gamble and will help deter excluded individuals from entering SaskGaming properties.

The disentanglement of winnings policy also strengthens the terms of the voluntary self-exclusion agreement, which better supports individuals who have chosen to self-exclude from Saskatchewan casinos.

All disentitled funds collected will be directed to Casinos Regina and Moose Jaw's Community Giving program to be distributed to organizations, projects and events in Saskatchewan.
