Players who are on the waiting list will be seated before players that are eliminated from the tournament. Field capacity for each event will be dependent on staffing capabilities.

Players who re-enter any event will receive a full starting chip stack.

Approximately 10% of the field will be paid for all Harvest Poker Classic events.

1% of each daily prize pool will be withheld for staff gratuities.

All tournament tables will be played 9 handed if possible.

Management reserves the right to alter this format and increase/decrease capacity limits.

Buy-in and registration must be paid in full to secure a seat in all events.

**Players must provide valid photo identification when registering in person or picking up tickets at the Box-Office.**

Extreme satellites will also be offered upon request for all HPC major events. Players may register with cash or casino chips, or credit card up to the day **prior** to the event. Day of players must use cash or casino chips.
