

The SaskGaming Corporation offers a Student Award program to encourage Saskatchewan residents to pursue full-time post-secondary education in the fields of business administration, hospitality management, electronics or computer technologies, and communications.

This year twelve awards are available:

- one Community Leadership Award \$5,000 which recognizes student leaders, undergraduate or graduate students.

The SaskGaming Student Awards program provides opportunities for all residents of Saskatchewan to be eligible for educational assistance. Our program is also designed to reflect our commitment to equity and cultural diversity and, in accordance with our commitment; two of the five university awards and three of the technical/college awards are designated to qualified students of Aboriginal Ancestry.
